MEMORANDUM

From: International President Frank Hurt *FH*
To: Principal Officers of all U.S. BCTGM Locals
Subject: **United Way Campaign**
Date: August 31, 2011

As I do each year at this time, I am writing to ask for the support of your Local Union and its members for this year's United Way campaign. Unfortunately, the relentless jobs crisis combined with an historic number of natural disasters in every region of the country have left so many of our friends and neighbors in great need of assistance.

For over six decades, the United Way and organized labor have partnered to assist working people during difficult times. Often, this support has made the critical difference in helping a family get by. For those of our Brothers and Sisters who are struggling to keep their lives in order, the United Way serves as an invaluable resource.

Therefore, I once again urge you to support this year's United Way campaign in any way possible. Thank you for your continued generosity and assistance.
